Mr. Minor,

Per our conversation, attached for your information are copies of the September 16 RID PRP Presentation, a redacted copy of the "notice letters" sent to PRPs inviting them to the September 16 meeting, and a redacted copy of a PRP Fact Sheet that was distributed to individual PRPs at the September 16 meeting. We look forward to meeting with appropriate EPA personnel to present RID's current proposals. Please advise us of available dates for such a meeting.
